

A little nature *scavenger hunt*

Slow down, look closely, and see what you can find. Tick each box as you go. You do not need to find everything to have a lovely adventure.

Name: _____

Date: _____

☐ **A leaf with 3 colors**

Can you name all three?

☐ **A bird**

Watch from a little distance.

☐ **A cloud**

What shape can you see?

☐ **A seed or seedpod**

Look without picking.

☐ **Something round**

Can you find another?

☐ **A tree trunk**

Notice its lines and patterns.

☐ **A stick that looks like a letter**

Which letter do you see?

☐ **Two shades of green**

Where do you see them?

☐ **A shadow**

Is it long or short?

☐ **Something moving**

What makes it move?

☐ **A sound of nature**

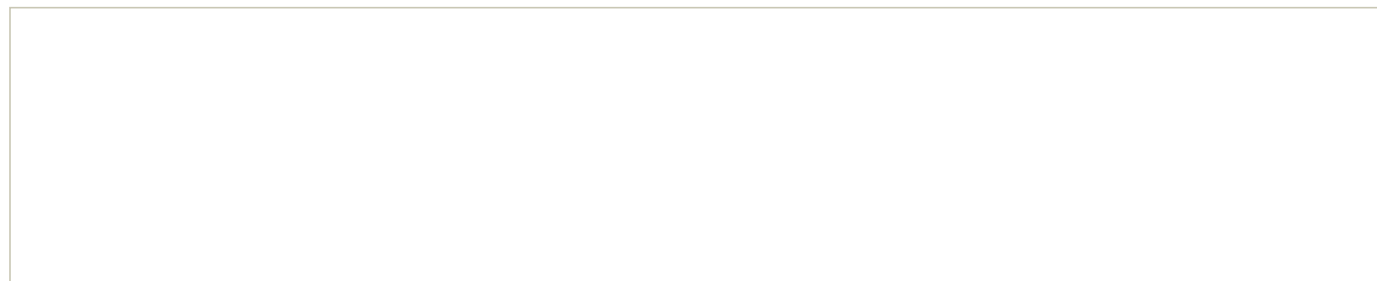

Listen quietly for a moment.

☐ **Something that surprises you**

Tell your grown-up about it.

One little wonder to remember

Draw your favorite discovery here.

A note for grown-ups: Read the clues together and let your child set the pace. Stay together, leave plants and animals where they are, and look without taking.
